## Big crowd at town meeting

The biggest crowd since 1963 packed the village hall to participate in the Antioch town meeting Tuesday afternoon, Apr. 12.

About 35 township residents, officials and employees met to discuss roads, taxes and use of funds. Villa Rica subdivision had the largest group, expressing their concern over road improvement. A May 31 meeting has been set between the group and road commissioner Blaine Ring.

THREE FEDERAL revenue sharing fund requests were made: a donation to the American Association of Retired Persons local chapter, the library and a half-fare taxi system for senior citizens.

Funds for these projects will not be designated until the fall at the earliest because revenue sharing works on three-month entitlement periods. The major part of this year's funds are utilized for the new township building.

Supervisor Lloyd Murrie expressed officials' interest in these proposals, however.

ASSESSOR R.G. Holtz explained the workings of his office, saying they are involved more in appraising than assessing. He expressed pride in his co-workers and assured residents, "If you have any trouble, come to me. The buck stops here."

At the suggestion of Roberta Witkowski of Rt. 2, future annual meetings will be held in the evenings.

Marilyn Sterbenz

## Marilyn Sterbenz Re-Elected Clerk

At 10 p.m. last night, when the Antioch News went to press, it was still uncertain who would be the village's next mayor.

With most of the precinct 1 votes counted, and more than 50 percent of the precinct 2 votes tabulated, village trustee Mike Haley led former mayor Ray Toft by 475 votes to 354.

Haley was ahead of Toft in precinct 1 (west of Hy. 83, by 260 to 220). He was also leading Toft by 215 to 132 in precinct 2 the area west of Hy. 83 which includes Oakwood Knolls subdivision.

The two other candidates for mayor appeared defeated. Trustee J. Irving Walsh had 203 votes by 10 p.m. while Henry Gillman had 36.

It appeared certain that Marilyn J. Sterbenz would retain her post as village clerk. She led her opponent Shirley Gutowski by 619 votes to 422.

The two-person race for village trustee for two years was very close. Judy Phillips led Edgar Simonson 526 to 492. Mr. Simonson led 335 to 254 in his neighborhood, precinct 1, but Mrs. Phillips pulled ahead in her area, which includes Oakwood Knolls.

It also appeared certain that Ron Cunningham would be re-elected to a four-year term as a village trustee. Cunningham led the five candidates for a four-year term by amassing 698 votes.

It was a close race among the 4 other candidates for the 2 other four-year trustee terms. Don Amundsen had 634 votes by 10 p.m.. Bill Seemann had 593, Vern Barnstable 582 and Dan Kasik 355.

THE HIRAM BUTTRICK SAWMILL reconstruction project, under the direction of Walt Shepard, is progressing well. Located on the banks of

Sequoia Creek, its construction has been assisted by U.S. Navy Seabee (construction battalion) reserve units.

## Burglars arrested

Three men were arrested in Antioch last Thursday and charged with burglary. The incident happened at Frostee Sno-Expanda Foam, in the village's industrial park.

Chief John Wells said the three were Larry Thompson, 17; Nicholas Orphan, 19; and Scott Brueggemann, 18. All live at 334 Park Ave.

A door at the plant was found open at about 4:15 a.m. by Officer Thomas Fisher. He had been assigned to special surveillance of the industrial park because of recent burglaries there.

Fisher called for additional help and was assisted by Wells, Officer Harold Mason and Lt. Charles Miller. They then apprehended the young men inside and recovered several stolen articles.

Orphan and Thompson later confessed to a similar burglary at Expanda Foam the previous Monday.

The trio was transported to the Lake County jail and are awaiting a court appearance.

## 4 arrested

Two Antioch youths were arrested Monday afternoon for attempted robbery of Norm's Standard Service, routes 59 and 173.

The pair, ages 18 and 19, were identified by a station attendant following the incident at 5 a.m. Sunday.

Results of their Tuesday morning court appearance were not available at press time.

LATER SUNDAY, two 18-year-olds, one from Antioch and the other from Chicago, were arrested for possession of cannabis.

They were stopped at Lake and Spafford streets by Officer Charles Watkins, who saw them throw a plastic bag of plantlike substance from their car.

Both were released after posting bond.

"An injustice to one is a menace to all."

REVENUE BONDS have been issued by the village of Antioch to the State Bank of Antioch to cover water and sewer improvements. Finalizing the details last week were: village clerk Marilyn Sterbenz, mayor Robert Wilton; (standing, from left) municipal finance consultant Harold Warren, and bank president William Brook.

## Kindergarten registration

District 34 kindergarten registration for next year will be held at Antioch, Channel Lake and Oakland grade schools Apr. 25 through Apr. 29 from 9 a.m. to 1 p.m. each day.

If it is not possible to register during the week, parents should call the school where the child will attend and make arrangements to register or, at least, give the name, address, and telephone number, and the name of the child.

The registration fee is \$13 but it may be paid anytime before school starts.

Bring your child's birth certificate, baptismal certificate or hospital certificate for registration.

Every year many kindergarten pupils are registered the week before school starts. This has caused problems because the late registrations have made the classes too large at some buildings, resulting in a forced transfer to children without being able to give parents sufficient notice.

## Names in the News

MARCIA DOOLITTLE of Antioch has been selected to Northern Illinois University's softball team. This is Miss Doolittle's third season, playing second base on the first team all three years. Doolittle is a 1974 graduate of Antioch High School.

## Wilton Praised

The Antioch village board held one of its shortest meetings last Monday. It was also the last one of Mayor Robert Wilton's term.

Several expressed appreciation for his service to the village. Kenneth Wierschem thanked him and the trustees, adding his time as plan commission chairman has been "a four-year education." He promised that if a new chairman is appointed, he will work for a smooth transition.

Also communicating their thanks and good wishes were Bill Patterson, representing the Antioch Chamber of Commerce and Industry; trustee William Seemann; and Joseph Vieth, president of the Oakwood Knolls Property Owners Association.

TRUSTEES authorized construction of a sanitary sewer and water-main extension for the Antioch Auction Barn and a residence, both on North Ave. Also okayed was the signing of the amended and revised zoning map.

The meeting was adjourned until 8 p.m., Monday, Apr. 25, following a budget hearing on revenue sharing funds.

### Correspondence, advice and love letters

Now that I have finished memorizing my 20-volume set of Funk and Wagnall's encyclopedia, plus the Guinness Book of World Records, the word is getting around that I happen to possess most of the knowledge in the entire universe.

Like that song from the musical Candide: "Any questions? Ask without fear ... I have the answers here."

Just opening my Pfarr Mail has become a day's work.

Since you insist, I'll share a few of the letters with you.

**DEAR MR. PFARR:** How big was the largest ice cream sundae ever concocted? Farrah Fawcett Majors.

**Dear young lady:** The most monstrous sundae weighed 3,956 pounds and was created by Farrell's Ice Cream Parlour in Virginia. It contained 777 gallons of ice cream and was covered with 6 gallons of chocolate topping and 1 1/4 gallons of whipped cream. It represented a total of 2,099,895 calories. But the best sundaes in the world are made right here in Antioch at White's Ice Cream Parlor. Next time you're in Antioch, call me and I'll take you over there and buy you one. (Rod White would like to meet you, too.)

**DEAR SIR:** What is the highest speed ever recorded on a typewriter? Lindsay Wagner.

**Dear Lindsay:** How nice of you to keep writing me. They say the record is 170 words a minute, but it's obvious they never clocked a newspaper writer racing to meet a deadline. By the way, I suffered a serious finger injury recently but there's a silver lining. When it heals my finger will be bionic. I'll call you then so you can come in and watch me type 300 words a minute.

**DEAR JERRY:** Has anyone ever driven a golf ball farther than my official PGA record of 341 yards? Jack Nicklaus.

**DEAR JACK:** Good show last Sunday in the Tournament of Champions. Aren't you glad I gave you that putting lesson? Regarding your question, an Australian meteorologist drove a ball 2,640 yards (1 1/2 miles) across ice in 1962. But when my bionic finger heals, I'll break that record hitting uphill in the Sahara desert.

**DEAR CHUBBY:** What was the longest hot dog ever made? Dave Zickus.

**DEAR GOVERNOR** (of the Moose Lodge): They cooked one in California that was 1,776 inches long and contained 40 lbs. of beef. But the best hot dogs are made by Bill Georgeson and his sons at their World Famous Village Pub hot dog stands.

Just thinking about them makes us anxious for summer to arrive.

## The Town Crier

It's a good thing that Chicago Bears football coach Jack Pardee is accustomed to time-outs.

During his talk last Saturday at the Moose Lodge sportsman's night the rescue squad siren went off.

As we all know in Antioch, when you're near the village hall buildings, there is no sense trying to talk during the two minutes that siren is wailing.

At village board meetings in the past three years we have heard the siren and watched Mayor Bob Wilton and his colleagues smile, lean back in their chairs and simply wait for the important signal to stop before returning to their business.

COACH PARDEE took advantage of the two-minute interruption of his talk. He went to the men's room, came back, talked to Dan Kasik for a while, and then resumed his speech about the Bears.

WE NATURALLY HAVE RECEIVED a little flak lately on our political endorsements. We're sensitive, of course, but we accept that flak because a newspaper without courage isn't a newspaper at all.

All of our endorsements were made after much study and consideration and, in our opinion, in the best interests of Antioch.

We want to thank those who said they respected our endorsements, whether or not they agreed with them.

To those who didn't respect our duty to endorse candidates, we have some more news for you.

Not only is the Antioch News going to be here to celebrate its 100th birthday nine years from now, but we now have the staff to cover the town better than ever. Elected officials are going to be held accountable, as always.

We have the courage and dedication to cover this town. Nothing malicious, nothing inaccurate, totally constructive.

People like to read that kind of newspaper. We know that, because the response from our readers has been tremendous. Our circulation

### Chief's performance defended by 2 citizens

This is in response to the accusations of mayoral candidates Toft and Gillman and Chief Wells is not doing the job he was hired to do.

In fact, he is doing the job he was hired to do. As an example, Police Department performance records are a matter of public record. These records show that the crime rate is down and the arrest rate is up. That doesn't sound like Chief Wells isn't doing the job he was hired to do, but rather that the two aforementioned candidates weren't doing their homework. They obviously have not taken the time to back up their accusations.

CERTAINLY NO TOWN is void of vandalism and no amount of police protection can eliminate vandalism completely. We suggest that it lies with the parents, not the Chief of Police.

A certain amount of undercover work is necessary and perhaps the candidates have not taken the time to become aware of the many hours Chief Wells spends in the village while the average working person is home after putting in their normal eight-hour working day.

Our parking zones are once again properly controlled in accordance with the wishes of the merchants. School zones are properly guarded and speed limits are enforced and once again at a safe level.

WE CAN ONLY SUGGEST that in each election there must be an issue and unfortunately for Chief Wells, who in more than 25 years of dedicated police work has never been considered anything but tops in his field, as evidenced by the many commendations he has received, he was the issue in this election.

If the city of Waukegan can bestow upon him their highest commendation for reorganizing their

Police Dept. in the time of great need, it does not seem feasible that he would have any difficulty in running a police department the size of Antioch's.

### Hans von Holwede says hello to Antioch

Letter to the Editor:

Fred Zilke of Edgerton, Wis. visited Hans von Holwede (who was in Antioch from 1930 to 1951) at Saratoga, Calif., and sent a letter to me on his return.

Fred; my husband, Russell; and myself all graduated from Antioch High School in 1939, when Mr. von Holwede was a teacher there, and Fred asked me to share it with the folks in Antioch. I quote:

"Dear Jean and Russ: Sure glad your letter (with Hans' address) got to me in time, because it was one stop I wanted to make and to have seen Hans von Holwede again after an absence of 39 years was great. Hans looks wonderful. He has all the school annuals and really uses them to good advantage. He and I reminisced for over two hours. Yes, his stroke has slowed him down physically, but he's as alert and full of enthusiasm as ever. He wants to be remembered to all his Antioch friends. He lives in a very nice section of Saratoga, and has a very lovely home. His only regret is that he no longer can beat out the tunes he loves. He has composed several organ books on learning and has sold thousands, which brings him royalties for his future years."

"Hans invites all who get near Saratoga to please stop in."

Fred J. Zilke and Florence"

Sincerely,  
Jean (Brett) Homan

# Pardee 'wins one for Bears' in Antioch

By JERRY PFARR

Leo Durocher, or whoever it was who said "nice guys finish last," hadn't met Jack Pardee.

But a couple hundred Antioch people met the Chicago Bears' football coach at the Moose Lodge last Saturday night and had to be impressed with the "nice guy" that Pardee is.

For all of us who like "nice guys," we can be happy that Pardee's Bears had a 7-7 record in pro football last year and are working on winning 10 or 11 games next fall.

"IT COULD HAVE BEEN 9-5 last year," Pardee told his Antioch audience. "Our real deficiency was that we averaged only 63 offensive plays a game while our opponents averaged 70. We have to turn that around. Those extra seven plays mean two first downs a game and that translates into two more points for us and two less for the other team."

"That seven-play turn-around could mean the difference between seven wins or 10 or 11. We have to keep the offense out there."

How does Pardee plan to do that next season? "I have to do a better job of coaching," said Pardee, stopping the buck at himself.

"Now, I know what our players can do," he said. "They are working now, in the off-season. They want success, too. Walter Payton, Mike Adamle, Roland Harper and the others are going to improve. Our opposition, the Packers and Detroit, are going to improve, and we also have Minnesota, the Super Bowl team; so we must work on getting better."

"But first," Pardee said, "I have to do a better job of teaching and coaching. The important thing for me to do is keep my office door open and communicate with all the players who walk past. That's how I'll find out what we can do to improve the Bears. My job is to transmit ideas, to get everyone to know what his role is in the scheme of things as far as the Bears are concerned."

"WE CAN DO better next season," the coach said. "Out of 28 teams in pro football we were the second youngest. Tampa, the youngest, didn't win a game."

"We were able to run the football very well with Walter Payton. Johnny Musso, Harper and Adamle are good runners, too. When we moved to the 20-yard line we were able to score. And we were able to stop the other teams by sacking their quarterbacks. Jim Osborne had 15 sacks," he said.

ANSWERING QUESTIONS from the audience, Pardee admitted that the Bears didn't do well with their passing game.

## The Town Crier

and advertising sales have grown steadily in the last three years.

We know we're putting out the best Antioch newspaper and the people of Antioch have been very generous in their praise and appreciation of our efforts.

Since we have an "all-Antioch" newspaper, the people in town read it from cover-to-cover and our advertisers appreciate this. So, we will continue to be the respected, dignified publication we have always been. (Applause!)

"We had a second-year quarterback (Bob Avellini) and two new receivers," he said. "They will improve. We also had too many penalties last year."

"But young players are better these days," Pardee said. "They work harder and are easier to communicate with. They want to get better as a team. Payton is embarrassed if he carries the ball 25 times in a game. He's willing to carry 25 or 30 times, but he wants Harper to get more of a chance, too. Walter is unselfish ... he doesn't want to be a ball hog."

PARDEE ALSO PREDICTED, answering a question in jest, that Payton would get better in his radio commercials.

"He's a better football player than a Buick salesman," Pardee laughed.

The Bears' coach defended Avellini, who only completed 44 percent of his passes last season.

"In his rookie season he won three of four games," Pardee said. "Then we won five out of six last year in pre-season games, which are very tough, too. So he has won 15 out of 24 games for us. He's a great young man."

"We'll just have to work harder to help Bob improve," said the professional coach, who won a

couple hundred friends in Antioch last Saturday night ... because he came across as a "nice guy" and apparently has what it takes to give the Chicago Bears fans a winning football team.

## Happenings

THE ANTIOCH Diamond Hashers Square Dance Club will host a dance Friday, Apr. 22 with Washington, D.C.'s favorite caller, Zenous Morgan.

The dance will be held in the Antioch Lower Grade School located at Main and Depot streets. Due to major construction at the school, entry will be through the Depot St. door.

Dancing starts at 8:30 p.m. Refreshments will be served. A special invitation is extended to all square dancers.

## The Time Machine

50 YEARS AGO: APR. 21, 1927

The Crystal Theatre, Antioch, has been improved this week by the addition of rest rooms in the basement of the building. A fine new pipe organ has recently been added, and manager H.R. Smith of the Suburban Theatre Company has secured the services of Miss Teague, the well-known Chicago organist.

S.E. Pollock, the former Methodist pastor, People's candidate, is the mayor-elect of Antioch, winning over Charles F. Richards, independent, 240 to 225, in Tuesday election, which was featured by the largest poll of votes in the history of Antioch.

"The first week was a hummer -- and we wish to extend our hearty thanks to all who patronized our new place of business the opening week. Ask your friends about the quality of our work." Moon Cleaners & Dryers, Cross Lake on Highway 21, phone Bristol 255.

20 YEARS AGO: APR. 18, 1957

Murrill Cunningham will be Antioch's village president for the next four years. He and his entire People's Party were swept into office in Tuesday's election, which saw what is believed to be the village's heaviest vote. Cunningham received 461 to his opponent Charles J. Cermak Jr., 320. Returned to office as trustees were Ernest H. Glenn and John M. Blackman; also elected was Bernard N. Osmond. Unopposed for office were Clarence B. Shultis, clerk, and Martha Hunter, treasurer. E. Elmer Brook won over Herbert W. Horton for police magistrate.

Featured this week at the Skyline Drive-In, one mile east of McHenry on Rt. 120: Friday and Saturday, "The King and I" plus "Anastasia"; Sunday-Tuesday, "Giant" (with Elizabeth Taylor, Rock Hudson and James Dean); starting Wednesday, "Rock, Pretty Baby" (with Sal Mineo and John Saxon).

Lynn Bolton, an Antioch Township High School senior music student, received the first Arion Foundation award at the school last week from John Romer, president of the Band Parents Association. Also on hand were Ken Smouse, vocal director, and Louis Chenette, instrumental instructor.

10 YEARS AGO: APR. 20, 1967

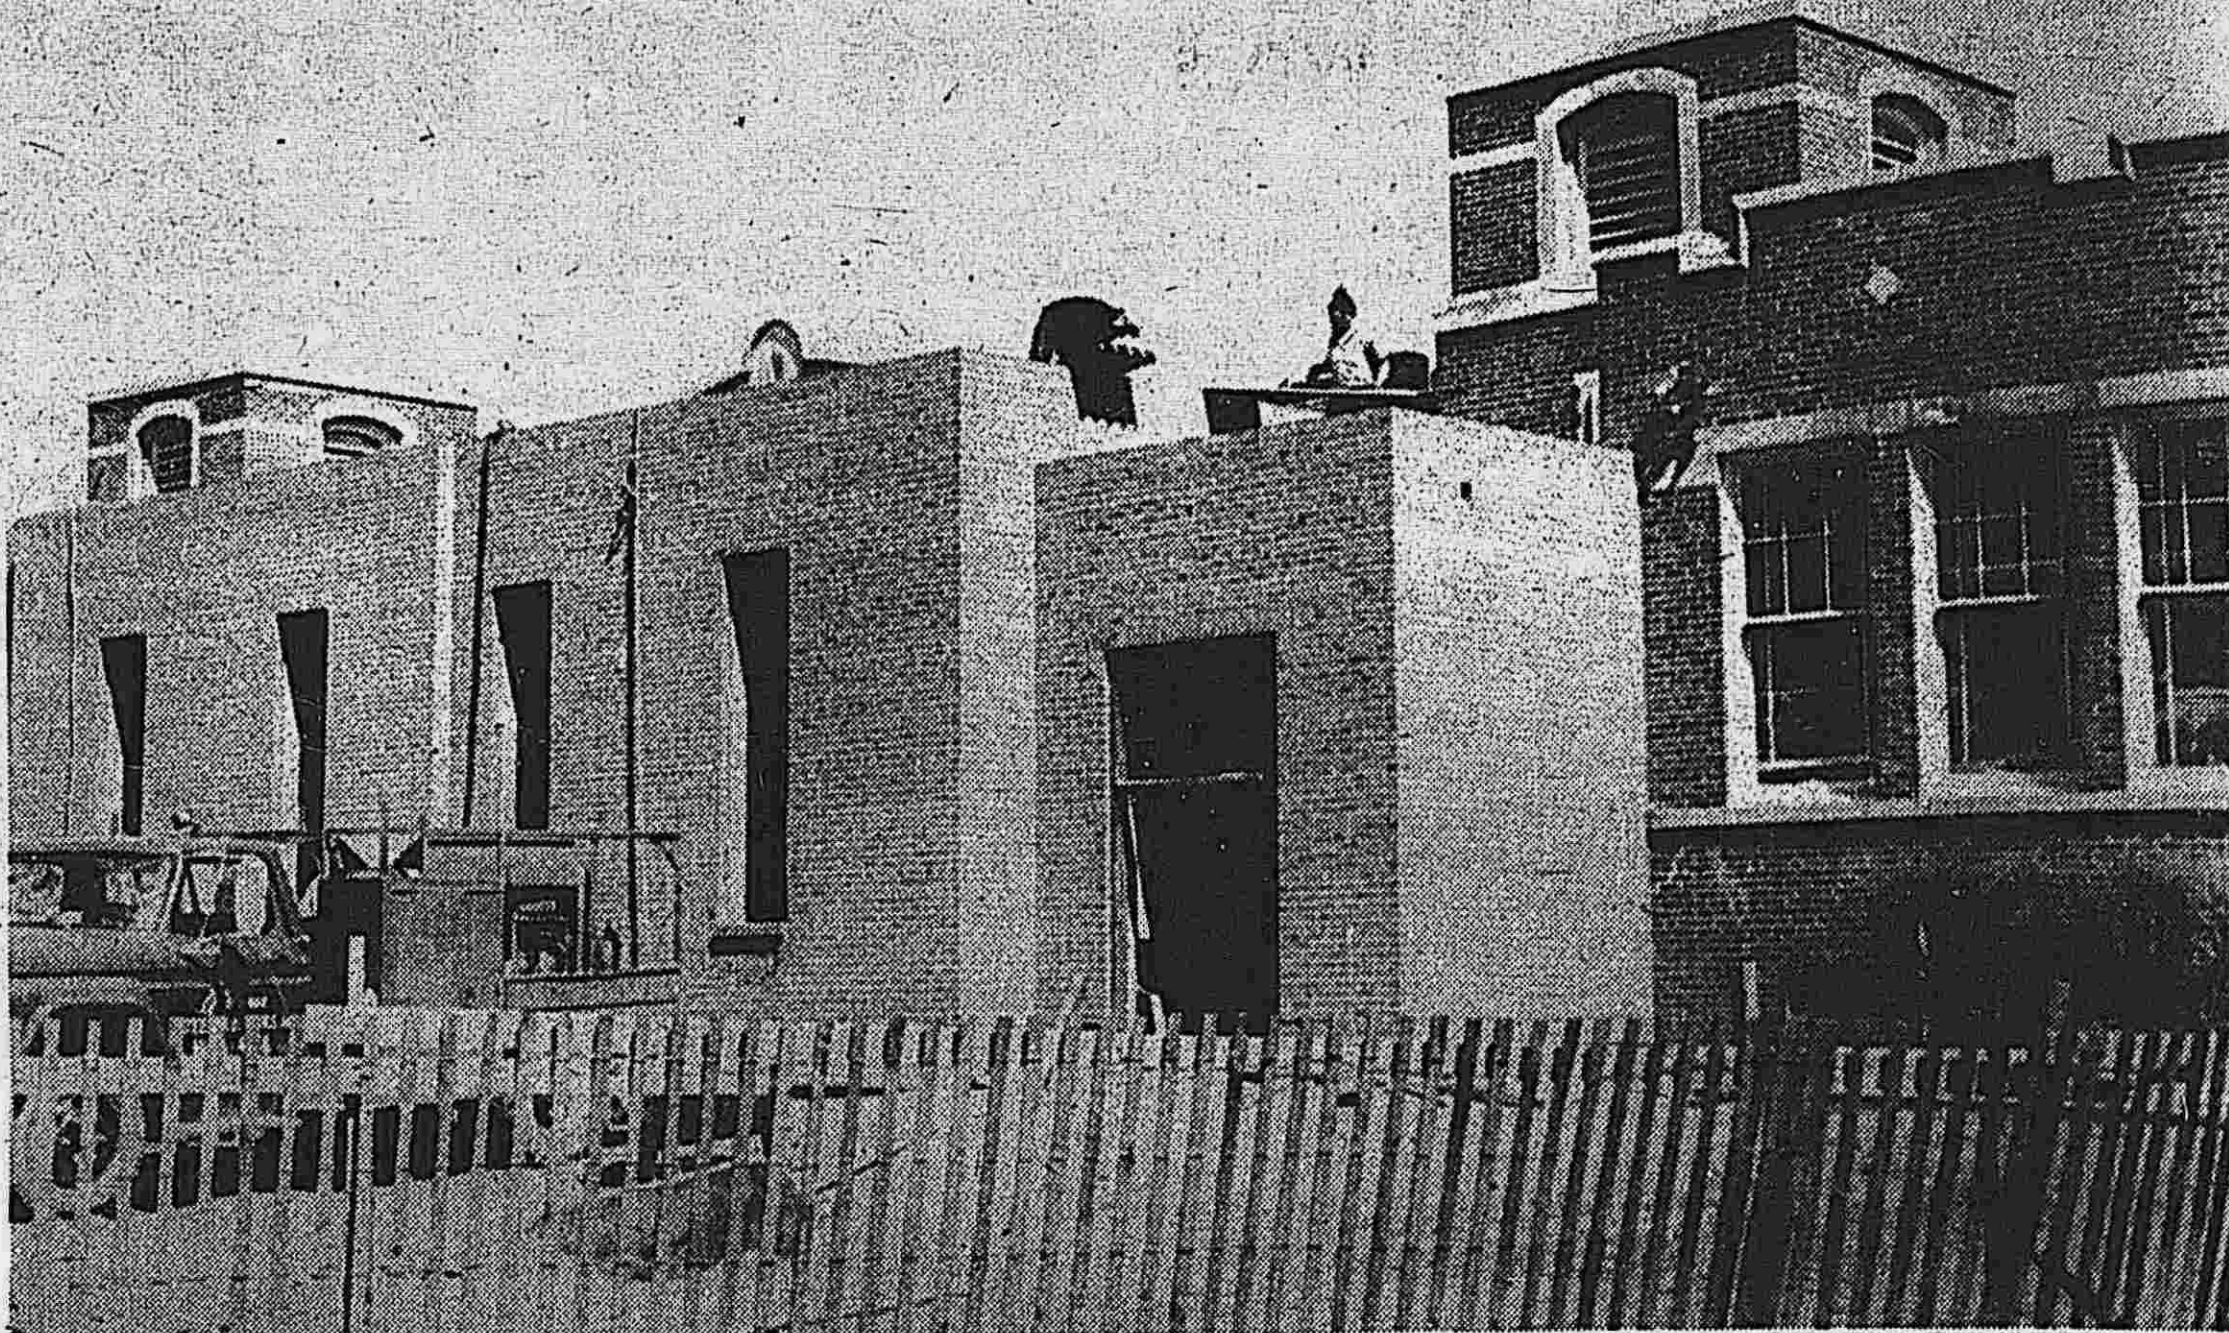

The People's Party, made up of Irving Walsh (incumbent), Richard Radke and Richard Burnette, won in Tuesday's election for village trustees. A total vote of 708 ballots was cast, almost 300 less than in the preceding election when Mayor Ray Toft was elected.

A letter of resignation from police chief Jack Heck was read to members of the Antioch village board at Tuesday night's meeting of the board. Heck gave salary, benefits, etc. as reasons. He was not present at the meeting. Immediately following acceptance of the resignation, the board approved salary increases for village employees. Unrest in the police department has been obvious for some time, as several policemen have resigned. Fred Elam, Jerry Awe, Tom Ring and, most recently, Arthur Wertz have left the force.

Corp. Charles Miller of Rt. 3, Antioch, returned to his hometown last Friday after nine months and 18 days in Viet Nam. "I'm glad to be home, but I'm glad I went over there, too," Charles says. One of the first stops he made was at the Antioch post office, to thank postmaster Joe Wolf and his staff for the packages sent to him.

### All in my family

By BETSY ROSSEN

Spring is the time for perky tulips and puddle-jumpin' kids. It's also birthday bonanza time in my family.

My mom, dad and brother celebrate this month and next--what a bunch of cards. Yet I'm glad for the opportunity to share three precious people with you.

I'll introduce them in the order of their birthdays.

ARE FATHERS disappointed when their daughters behave like tomboys?

If mine was, he never communicated that. If spending time with me meant fielding grounders or shagging fly balls, that was fine with him. He was just as proud and involved in my softball-throwing competition as he was with my performance in the Abraham Lincoln Junior High School cherry pie contest.

When his job responsibilities

changed, he did everything possible, including commuting 100 miles a day, to keep my brother and me close to our friends and excellent schools.

THOUGH HE and my mom weren't big on lectures, through their example I knew what they expected. Not perfection, but my best. The guidance of the heavenly Father for His children is often of the same nature: "I will instruct you and teach you the way you should go; I will counsel you with my eye upon you" (Psalm 32:8). One look can say a lot.

When I was about 7 years old, my best friend and I started complaining about how tough we had it. Life was really tough. My dad took us for a ride (with my friend's parents' permission) to west Madison St. in

## CLC NEWS

The underwater world near the Bahama Islands will be explored in the final offering of the Audubon Film Series at the College of Lake County Sunday, 7 p.m., in the Blue Lecture Hall.

In addition to the underwater scenes, "The Bahamas - Top to Bottom" takes viewers on a tour of the islands, showing the remnants of a dramatic past and glimpses of the present-day lives of both natives and visitors.

Underwater, the viewers will see an octopus trying to cope with an enormous crab. The searchlights of the divers uncover many creatures at night that hide during the daytime.

Admission to the film is free for CLC students and children under 12. Others pay 50c.

## B-J Rush Photo Studio wins awards in two states

March was a busy month for the B-J Rush Studio. Competition is the best way to keep current and improve one's self or product - and that is just what Joe and Barb Rush have been concentrating on.

In March the Rushes spent four days at Stevens Point, Wis., at the Wisconsin Professional Photographers Association convention. Four prints were submitted for competition and all four had a score high enough to hang for display at the convention.

Joe's print of Meg Swain and her horse titled

## Zickus elected governor of Antioch Moose Lodge

David A. Zickus, owner of the Piggy Bank Discount store at 896 Main St., last week was elected governor of the Antioch Moose Lodge. He replaces past-governor Jim Page.

Also elected as officers were Dick Wisniewski, junior governor; Harold Cooper, prelate; Howard Laursen, trustee, and Ray Laursen, treasurer.

"Companions" was honored at the awards dinner as the top Grand Award for out of state prints.

On Mar. 26 the Illinois Professional Photographers Association held its convention in Decatur, and another three prints of the B-J Rush Studio and Langdon's of Barrington were honored to hang on display.

THE STATE CONVENTIONS are held in preparation for the National Photographers Convention to be held this summer in Chicago at the O'Hare Convention Center.

The Rushes own two photographic studios; B-J Rush Studio in Antioch and Langdon's of Barrington. Both studios do all kinds of portraiture - weddings, and small product commercial photography. The corporation does all its own film processing, printing, transparency and art work. The capable staff is always ready to help in all photographic needs.

B-J Rush Studio is open Monday and Thursday from 9:30 to 5:30 and Friday and Saturday from 9:30 to 2:00. An answering service handles calls all other times so that orders can be completed as quickly as possible.

## Along the way with ANNIE MAE

Confused and angered by the FDA ban on saccharin?

The Food and Drug Administration is required to ban products proven to cause cancer, regardless of the quantities ingested. This ban goes into effect in July.

But U.S. Congressman Robert McClory (R-13th district) is one of 225 members of Congress sponsoring or co-sponsoring modifications of this wording to "reasonable quantities."

Mike McCarry, our rep's legislative assistant in Washington, D.C., helped clarify this for us. He seemed confident the ban wouldn't even get a chance to go into effect. The House subcommittee on health and the environment will start legislative hearings later this month.

R.G. HOLTZ, Antioch township assessor, suggests that all senior citizens who qualify for the Homestead Exemption for 1977 come into the township office, 880 1/2 Main St., and sign up.

This form should have been completed by the end of March, but we will hold them until May 1. For information on the exemption, call 395-1545.

MONDAY'S VILLAGE board meeting provided many opportunities to smile.

It was mayor Bob Wilton's last meeting and several took the time to thank and praise him for the excellent job done during his term. We join the cheers.

But Bill Patterson of BJ's Fashions for Men had one of the best lines. He gave good wishes to whoever will fill Bob's chair, then added, "But I doubt whether any will be able to fill your Abraham Lincoln suit!"

WITH ALL THE door-to-door campaigning during the elections, rumor has it some people have been setting out dishes of candy. Happy Halloween!

Here's another goody: know what one of the local garbage trucks is named? Cap'n Crunch, of course.

LARRY AND NANCY Lewkowicz are the new owners of the L&R Pet Shop at Rt. 83 and Grass Lake Rd. Congratulations, folks!

They tell us they are intending to feature a complete line of pets.

A THRIFT SALE will be held by Girl Scout Troop 213 from 9 a.m. to 3:30 p.m., Saturday, May 7. Proceeds will help finance the girls' trip to our nation's capital this summer.

It will feature clothing, small appliances, records, books, games, toys and more. No large pieces of furniture will be available, however.

Donations may be brought to the Scout House between 2:30 and 7:30 p.m., Friday, May 6. Because of time limitations, the girls ask all items be in clean, repaired condition.

LAST WEEKEND sure was eventful, wasn't it? Hear tell the Oakwood Knolls Property Owners Association spring dance last Saturday was terrific. Nearly 400 folks enjoyed the evening, highlighted by lovely spring decorations.

And two special couples were wed Apr. 16: Sue Sorensen and Jim Wells, and Jim Alm and Diane Fisher.

Dick Witthuhn was celebrating his 39th (?) birthday Tuesday at Thompson's Restaurant. We hope his day was a good one, and share his philosophy: remember, it takes 29 muscles to frown and only three to smile.

"An actor is a teacher of beauty and truth."

Stenberg. Congratulations to the new members.

Thirty-nine co-workers attended the Apr. 7 membership chapter night program of the Women of the Moose. Chairman Mary Brylinke was escorted to the senior regent's station where she introduced the members of her committee and presented senior regent Norma with two checks from the committee.

BILL MILLS of the drivers license division gave a talk on obtaining a drivers license.

The chapter then proceeded to ballot on two new members. The co-workers were asked to sign an Easter card to be sent to Sunshine child Peggy Franks at Mooseheart.

Collegian Judy Page was presented with a card naming her the Paul P. Schmidt Mooseheart High School Diploma nominee.

EIGHT NEW Academy of Friendships members received their degree Sunday, Apr. 3 at Arlington Heights. The new members are Elizabeth Mercatoris, Betty Schulmeister, Dorothy Ottenstroer, Lillian Olsen, Delores Povilaite, Bernice Ahlert, Ann Barone, and Louise

HOSPITALITY CHAIRMAN gave the report that get well cards were sent to Mariann Wisniewski, Eva Heitz, Jack Palmer, Louise Gutowski, Jane Kish, and Rose Marie Hadley. Sympathy cards were sent to Elizabeth Mercatoris and Linda Whitehouse. Baby congrats were sent to Mr. and Mrs. Robert Lovell.

The nominating meeting will be Monday, Apr. 25. If you wish to run for an office for the new year, have your name handed in before that date.

Co-worker Lillian Sorenson will be having open heart surgery this month. She will need 8 pints of blood. If anyone wishes to donate a pint in her name, you may do so at Bloomberg Blood Bank in Waukegan.

DUE TO the high price of food, we are asking a \$2.00 donation to those of the co-workers who wish to attend the honorary dinner in May. Tickets will be available now for your purchase; we must have a head count soon.

The next chapter meeting will be tomorrow, Apr. 21. Hope to see you there.

## Easter Bunny stories are cute and heartwarming

A delightful story about "Why the Easter Bunny should live in my town," won a prize for Lori Sattersten of Twin Lakes.

Sandy Socha of Chesney Drive in Lake Villa, and Shelly Pechulis of Dering Lane in Lake Villa, were runnersup in the contest sponsored by the First National Bank of Antioch.

The three girls received tickets to Marriott's Great America Theme Park from LaVerne M. Woods, president of the bank.

This was 12-year-old Lori Sattersten's entry:

"Once upon a time there was a little boy named Davy. He was a poor little boy. Dave was an orphan and lived in an orphanage in a town called Twin Lakes. On Easter Day he would always look around to try and find the Easter Bunny. He was the youngest child at the orphanage and the only one who believed in the Easter Bunny. Davy would tell all the older children about the Easter Bunny. He was still the only one looking for him on Easter.

"When Davy was 7, he was very ill on Easter and couldn't look for the Easter Bunny. He asked his friend Andy if he would look for the Bunny. Andy said no. Davy was very sad till the lady who took care of the children came in and said he should send a letter to the Easter Bunny to come to the orphanage. He wrote a letter and got one back. It said that the Easter Bunny was too busy now, but would come visit Davy. He came two days later and he stayed for a week. He found out that the older

children didn't believe in him. So he looked around Twin lakes and decided to live there. Davy was excited because he had Easter almost everyday. So that is why the Easter Bunny should live in my town, because I live in Twin Lakes."

SANDY SOCHA, 8, wrote:

"Why I want the Easter Bunny to live in my town. Because he is nice. We wouldn't run over him or be mean to him. We have lots of fields for him to run in. I would give him carrots and lettuce to eat. He hides eggs good and I want him to be my friend."

SHELLY PECHULIS, 10, won her prize with this entry:

"I think the Easter Bunny should live in my town because my town is special. Then I would ask the Easter Bunny to come to the First National Bank of Antioch and ask for a loan from Mr. Woods because he's so nice. After the Easter Bunny got the money he could spread good cheer to everyone, and I would suggest for him to go to poor children first who aren't as fortunate as I am."

## Concert Sunday

The symphonic wind ensemble of the College of Lake County, under the direction of Don Perrilles, will present a free concert at 4 p.m. Sunday, Apr. 24 in the Orange Court (main building).

Included in the program are pieces by Charles Carter, George Gershwin, Morton Gould, Herold-Lanchbery, Reinhold Gliere, Clare Grundman and Claude T. Smith.

Musicians include Scott Palka, Joseph Renfro, Patti Thamerus, Glen Weinberger

and Guy Weinberger of Antioch; and Rebecca Montooth and Patrick Wolfe of Lake Villa.

## Astro-Analysis

By Sonia

**ARIES** [March 21-April 19] - Gather all the facts before engaging in additional activities that require altering present routine. Making changes deserves consideration and forethought.

**TAURUS** [April 20-May 20] - Group activities can be rewarding; seek out new interests that provide inspirational new ideas. Daily routine can cause restlessness so work on a different angle.

**GEMINI** [May 21-June 21] - You now have added courage and confidence to pursue goals. As energy is increased do some advance planning and set sites for high aims.

**CANCER** [June 22-July] - Newfound inner peace can now be cultivated; seek some time alone for quieter pace. Avoid bickering with those who tend to gossip, associate only with close confidantes.

**LEO** [July 22-August 21] - Look to friends for guidance and good advice. New relationships can be formed and old ones strengthened. Social gatherings can offer a need change of pace.

**VIRGO** [August 22-September 22] - Avoid friction with others; make a special effort for a smooth running week with superiors. Curb the tendency to act first and think later.

**LIBRA** [September 23-October 22] - Good opportunities for advancement make this an ideal week to go ahead with previous plans. Contact out of town acquaintances who have helpful know-how.

**SCORPIO** [October 23-November 21] - Avoid antagonistic people, instead spend time improving family ties. Legal matters should be dealt with intelligently; not a week for irrational acts.

**SAGITTARIUS** [November 22-December 20] - Show others that you are a good sport. Though plans of a speculative nature could be stymied, you also stand to gain in the long run by exercising patience.

**CAPRICORN** [December 21-January 20] - A good sound judgment is needed to achieve your goals and carry out plans now. Although a good time to invest, keeping close tabs on the budget is essential.

**AQUARIUS** [January 21-February 19] - Attend to daily matters rather than instigating new business deals. Spend more time in a relaxed atmosphere with those who dwell with you.

**PISCES** [February 20-March 20] - Details that you've thus far ignored may require attention now. Schedule a week so chores can be handled efficiently with time left for pleasurable pursuits.

## BREAKER 19

Howdy, Howdy,

I've always claimed not to be a CB freak. But lately I'm not sure.

My wife just came in my radio corner to tell me she was back. Back from where, I asked.

She proceeded to tell me that she had been visiting her relatives, then she showed me the T-shirts from California.

I now find out that the dog is no longer house-broken, also the trash hasn't been taken out for so long that it now occupies half the house.

My wife now informs me that my boss called. Seems I forgot to shut off the set to report to the work 20.

Oh, well, I did get to talk to the Big Red Apple in Texas during the last Skipland Transmission.

I wonder if anyone needs an employee who talks in short sentences and ten-fours everything?

Oh well, we all know that at times this story refers to us all. This is just a short note to remind us all of the rest of the world.

WE HAVE BEEN copying the mail lately and checking out some of the questions and rumors going around the channels.

There is a rumor being spread that the FCC legalized swearing on the air. This is not, and I repeat, not true: There has been some question on the use of modulated mikes; they are legal only to 100 percent modulation. Over that, they are not.

Linear amplifiers are completely and absolutely illegal in use with a CB radio. Also, by the same regulation, having one of these units in your possession by the CB radio (even though not connected) constitutes a violation of the regulation

and the fines and penalties are the same.

FOR THOSE of you with TVI (television interference) here are a few suggestions to cure the problem. First, try buying a TVI filter. These can be purchased at most radio stores at a cost of about \$10. They are very easy to hook up. The instructions are clear and you do not need a serviceman to install it.

Secondly, it helps a great deal to use a shielded lead-in wire from the antenna or use coax cable for TV.

A reminder to our fellow CB'ers out there: if you are giving yourself TVI, after installing a filter on your own set, the problem is in your set and you should install a filter on your set. These can also be obtained at your local radio supply store at a cost of about \$10 and up.

You are required to do this by the FCC if the interference is to TV channels 2, 5 or 6.

NOW FOR THE lighter side of the local news. Does anyone know the handle of that famous CB'er who has to rest her nose on the counter when she talks on the CB (the Bucktown wants to know).

We also know that the Heart-breaker is out of town. That will give the rest of us guys a better chance to talk with the gals.

As a final note we wish to give the Golden Mouth award for the week to Lady, who ran amok all over channel one last Wednesday night.

We close with good wishes to all and ask anyone with a question or comment to write to Breaker 19, care of the Antioch News.

We hope to hear from you.

NAVY HOSPITAL Corpsman Second Class Robert A. Brehmer, whose wife, Kim, is the daughter of Mr. and Mrs. John Gegenheimer of Lake Villa, participated in the U.S. Sixth Fleet operation "National Week XXII."

He is a crewmember aboard the amphibious transport dock USS Trenton, homeported at Norfolk, Va.

Navy Seaman Thomas J. Marcucci, son of Marcella A. Marcucci of Route 4, Box 536G, Antioch, participated in the U.S. Sixth Fleet operation "National Week XXII."

He is a crewmember aboard the amphibious assault ship USS Guam, homeported in Norfolk, Va.

"National Week XXII" was an eight-day exercise involving more than 30 Sixth Fleet ships, 18 aircraft squadrons and a Marine battalion landing team. The exercise included simulated combat operations, emphasizing antisubmarine and air defense. The exercise took place in the Tyrrhenian and Ionian Seas, near Sicily.

## Rotary may sponsor student from Iceland

The board of directors of the Rotary Club of Antioch has appointed Wayne Parthun to arrange for an exchange student for 1977-78.

Chuck Mather, youth exchange chairman for District 644, has proposed a young man 16 or 17 years of age from Iceland.

The club's current exchange student is Jean-Marie Palu of France.

"Those of the club who have been host families, have been impressed with Jean-Marie and the program," Parthun said.

"As the Club commits itself to another year of the exchange program, we will need a minimum of three host families and one alternate. The current hosts are Bud Scichowski, Gerry Ehrhart and Jim Hamlin," Parthun said.

His humor is of the "quiet quip" variety.

But my memory is vivid of the time he trick-or-treated in women's garb, complete with wig, lipsticked

It's great to be able to say I love and respect him more than any man on earth.

## PERSPECTIVES

### Howard Hughes

By DONALD COLE  
Moody Bible Institute, Chicago

Last week a two-part television show was aired, "The Amazing Howard Hughes." In January a book appeared on the bookshelves, titled "Howard Hughes: The Hidden Years," by James Phelan. The book does not actually say so, but reading it one inevitably concludes that Howard Hughes slowly killed himself. As one reviewer says, "The old man died in a condition so wretched he might have been taken for one of the New York Times neediest cases. Naked, almost unable to hear, one leg atrophied, riddled with bedsores, unable to eliminate his own wastes, starving, Howard Hughes brought himself to his miserable end while worth more than a billion dollars."

Is suicide sin and, if so, who says so? The ancient Greeks and Romans regarded it as a noble act in time of extreme adversity. In modern times, only Japan's finest sons were permitted to kill themselves in kamikaze crashes on the decks of U.S. warships. In France, suicide is the major cause of death among young people between 20 and 24.

In this country, the figures aren't as grim but suicide is on the increase. It is slightly behind certain causes of mortality in early infancy and significantly ahead of homicide. What this figure means is more people commit suicide than are killed by murderers.

Is it sin? The answer is yes. Bible students believe that suicide is condemned by a logical

extension of the sixth commandment, "Thou shalt not kill." Significantly, the commandment does not have a direct object: The object must be supplied, whether it be your fellow man, your wife, or yourself.

The point is, one's own life is as sacred as any human life. And the sacredness of human life, as made in the image of God, is one of the central truths of the Bible.

Why do people kill themselves? The suicides recorded in the Bible, such as Saul's, are probably typical of one class — those who do it to escape a hopeless predicament. Psychologists say that modern suicides are often motivated by the thought of escape from pain or guilt, or something equally intolerable. Others detest themselves so thoroughly that they kill themselves as an act of vengeance.

A third motive is emptiness in life and the thought that death is nothingness. One escapes the emptiness of life into non-life, non-existence, and cessation from all that vexes the spirit. This also is a form of escapism.

Christians do not view suicide as an exclusively social problem; it is a profoundly spiritual problem. Every successful suicide marks the end of a life filled at the critical moment with fear, self-hatred or despair. No human being need have reached such a state: the Bible says the Father sent the Son to be the savior of the world, and that means everybody.

LISA HALING, though she fouled off this pitch, has been hitting well for the Antioch High School girls varsity softball team. Standout batters also include Sandy Kessler and Karen Kirschke.

## CLC team triumphs

The College of Lake County baseball team put on an impressive performance at home with a 10-0 win over Truman of Chicago last Wednesday. The Lancers lost all four games played last season with Truman College.

Neither team threatened until the third inning when Truman got back-to-back singles, but was not able to score. Lake County then returned the threat in the bottom of the inning by scoring three runs on two walks and singles by Marsh and Demore. Other scoring came on runs in the fifth, sixth and eighth innings.

Kevin Cornell went all the way for the Lancers. Cornell put on a spectacular pitching display, striking out seven batters, while holding Truman to four hits. "The Lancers are playing heads up ball and will be top contenders for a state title if they continue to play this way," commented Coach Gene Hanson.

## Young softball team wins 4

The ACHS Girls frosh-soph softball team enjoyed their spring vacation last week by defeating all four teams they faced.

Opening day with Libertyville was the first test for the Sequoits. Monika "Moonie" Lukas pitched a fine game and added a grand slam in her own winning effort. Timely hitting by Linda Haling and Jeanie Cilik were too much for the Wildcats as Antioch handed them their first defeat, 21-16.

ON MONDAY, the girls traveled to North Chicago to battle the North Suburban Conference foe. On an exceptionally windy day the conditions were of no concern as the hapless Hawks were steamrolled by our Sequoits, 34-6. Sue Lass pitched a fine ballgame and added two hits to her win. Joanne Higgin and Kim Gorski punched in five runs and Linda Haling had a 3 for 5 game, including 5 runs batted in.

The local team met with conference foe, Dundee on Wednesday. It seemed as though the girls were off to another "easy" victory as they pulled ahead, 28-11, in the bottom of

the 7th. But Dundee came alive with seven consecutive hits and began to pick away at the giant lead. Antioch finally tightened up their defense to pull out with a 28-25 victory. Sue Lass was the winning pitcher. Again Jeanie Cilik, Linda Haling, Shelley Wix, and Monika Lukas provided the hitting needed to win. Kathy Walsh also went 5 for 6 and played a defensive second base when they needed it.

FINALLY THE SEQUOITS ended their road trip Friday at Mundelein. In the first inning the Mustangs held Antioch scoreless and picked up two for themselves. But the Sequoits responded with a triple to right by Shelley Wix and the momentum changed to Antioch. Jeanie Cilik and Patti Hinz also added good hitting and Monika Lukas pitched a fine six innings. Sue Lass came in relief in the 7th to put the Mustangs out for the last time.

The girls will play Lake Forest at home this Friday. All home games are at 4:30 p.m. at the Antioch Upper Grade School.

Coach for the team is Steve Scott; manager is Diane Behrendt.

In 1900 Johann Huslinger walked from Vienna, Austria, to Paris, France — on his hands.

# Antioch tennis teams boast perfect record

Antioch High School's tennis team demonstrated the power and depth against Grant last week that have lead them to 4-0 records in varsity and sophomore competition.

Dennis Korjenek, playing first singles, won 6-1, 6-1. Bob Nasenbeny won 6-2, 6-0; Keith Rezin, 6-2, 6-1; Mark Mandrowski and Matt Warner, 6-0, 6-1 and George Richter and Mike Schmeierbauch, 6-0, 6-0.

Of the 68 total games played, Antioch lost only 8.

FOLLOWING GRANT, Antioch faced a strong Rockford Harlem team. While defeats came at first and second singles, Keith Rezin won at third singles to remain undefeated. Mark Mandrowski and Matt Warner won at first doubles to keep their record clean of defeats. The second doubles match would have determined the winner of the meet, but rain ended it at 2-2.

The next meet was at Zion-Benton, with Antioch the victor, 5-0. Keith Rezin remained undefeated, as did the first doubles team of Warner and Mandrowski.

The varsity's record is 2-0 in the conference.

THE SOPHOMORES have not lost a single set.

Roger Korjenek and Tom Surrock have beaten their opponents easily. Phil Rezin is also 4-0 and to his credit has a victory over senior Eric Hendricks of Zion in a junior varsity meet.

Tom Melhorn and Andy Dziki, also 4-0 won 6-0, 6-0. Dave Nikolai and Greg McKenna at second doubles matched their teammates' scores. The sophomores lost just five games to Grant in the meet.

BOTH SQUADS have five meets slated for this week. Three will be at Jensen Park on Apr. 20, 22 and 23.

ANTIOCH TENNIS team member Wally Nowakowski follows through on a backhand shot in recent exhibition competition at Jensen Park.

## Mike Harland is right on track in Minnesota

Mike Harland of Antioch is doing well on the track team at Southwest State University in Marshall, Minn.

Specializing in distance events, he picked up a second in the two-mile run in a recent meet. He had to fight a strong wind, yet finished with a time of 10:19.10.

Displaying one of its strongest squads ever, Southwest State engaged in a fierce struggle with Dakota State at the Banana Relays in Marshall on Apr. 2 before succumbing to the Trojans, 71-58.

The Mustangs, under coach Harry Jones, outpointed the North Dakota State School of Science and Univer-

sity of Minnesota-Morris, who finished with 40 and 32 points, respectively.

Jones had praise for Harland after a meet last week: "Harland was our iron-man in the meet, competing in the 3,000-meter steeplechase, 5,000-meter run, and the two-mile relay," he commented.

He broke the school record in the steeplechase with a time of 10:05.4, which was good for second place. He also set a new school mark in the 5,000-meter run with a fourth place finish of 16:11.2. He was also on the two-mile relay team with a third place time of 8:39.9.

## Crystal Lake Driver stars at Waukegan

In stock car action at the Waukegan Speedway Sunday night Dave Evans of Crystal Lake outspinted Tom Jones to the finish line in the late model 30-lap feature.

Evans led from lap two till the finish with Jones taking second from Fred Zack on lap five.

Jones and Evans continued to duel for the remainder of the race.

Evans' lead was jeopardized on lap 25 when Roy Acuff spun in front of the stands on the homestretch. Evans managed to get around Acuff and went on to nip Jones by a half a car length at the finish.

Acuff held off Jones, fast qualifier Zack and Evans for the trophy dash win.

IN HOBBY STOCK action, Larry Cash, Dennis Topcik and Mike Simon maneuvered through a few spinning cars to finish one, two and three in a good 12-lap feature race.

As an added attraction, Arthur Sternberg won the "Beat Your Neighbor" competition in a green Ford pick-up truck.

Racing continues at the Speedway this Saturday and Sunday with late models and hobby stocks on both nights. Time trials are at 7:15 with the first race at 8 p.m. on Saturday. On Sunday, time trials are at 6:45 with racing at 7:30.

DAVE WATSON of Milton, Wis., didn't take long to find his way

around the Waukegan oval last Saturday as he set two track records in his first appearance at the Speedway.

Watson began his record-breaking night on his final qualifying run when he toured the quarter-mile in 13.75 seconds. The second record set by Watson, in his Camaro No. 73, was in the 30-lap feature. He eclipsed a four-year-old mark set by Bob Roper when he won the event in a time of 7:03.

Watson also won the fast heat for the late models over Tom Jones in a time only four seconds off the record. Watson's bid for a clean sweep was spoiled when Dave Evans won the trophy dash with Fred Zack second and Watson third.

THE HOBBY DASH was filled with excitement as the three leaders, Dennis Topcik, Larry Cash and Mike Simon, collided on a turn in the last lap. Fred Beach won the race.

JERRY KEMPERMAN picked up where he left off last season by winning the 50-lap spring opener for late model super stocks on Saturday night, Apr. 2.

Kemperman won both legs of the Labor Day Twin-50's at the conclusion of last season.

IT'S A BIRD! No, that's varsity triple jumper Bill Strezlecki of Antioch competing in the home track meet last Saturday.

## Sportsman's Corner

A bill, H.B. 1000, introduced in Springfield Mar. 24 by Rep. John E. Porter of Evanston and 98 other legislators, would prohibit the use of animal traps and provides a penalty for their use.

The bill has been assigned to the Environment, Energy, and Natural Resources Committee.

A synopsis of the bill is twofold as follows:

(Ch. 61, New Par. 2.39) -- Any person who sets or otherwise utilizes any trap of the type known as steel jar, bear, or leghold, is guilty of a Class C misdemeanor.

(Ch. 61, New Par. 2.40) -- The Department shall offer a reward not exceeding \$300 to anyone providing information leading to the arrest and conviction of any person using a steel jaw, bear, or leghold trap in violation of Section 2.39. Such rewards are payable from the Game and Fish Fund.

## Antioch track team beats Lake Forest

The Antioch High School varsity boys track team gave their competition from Lake Forest trouble last Saturday, winning 76-65, in a non-conference meet here.

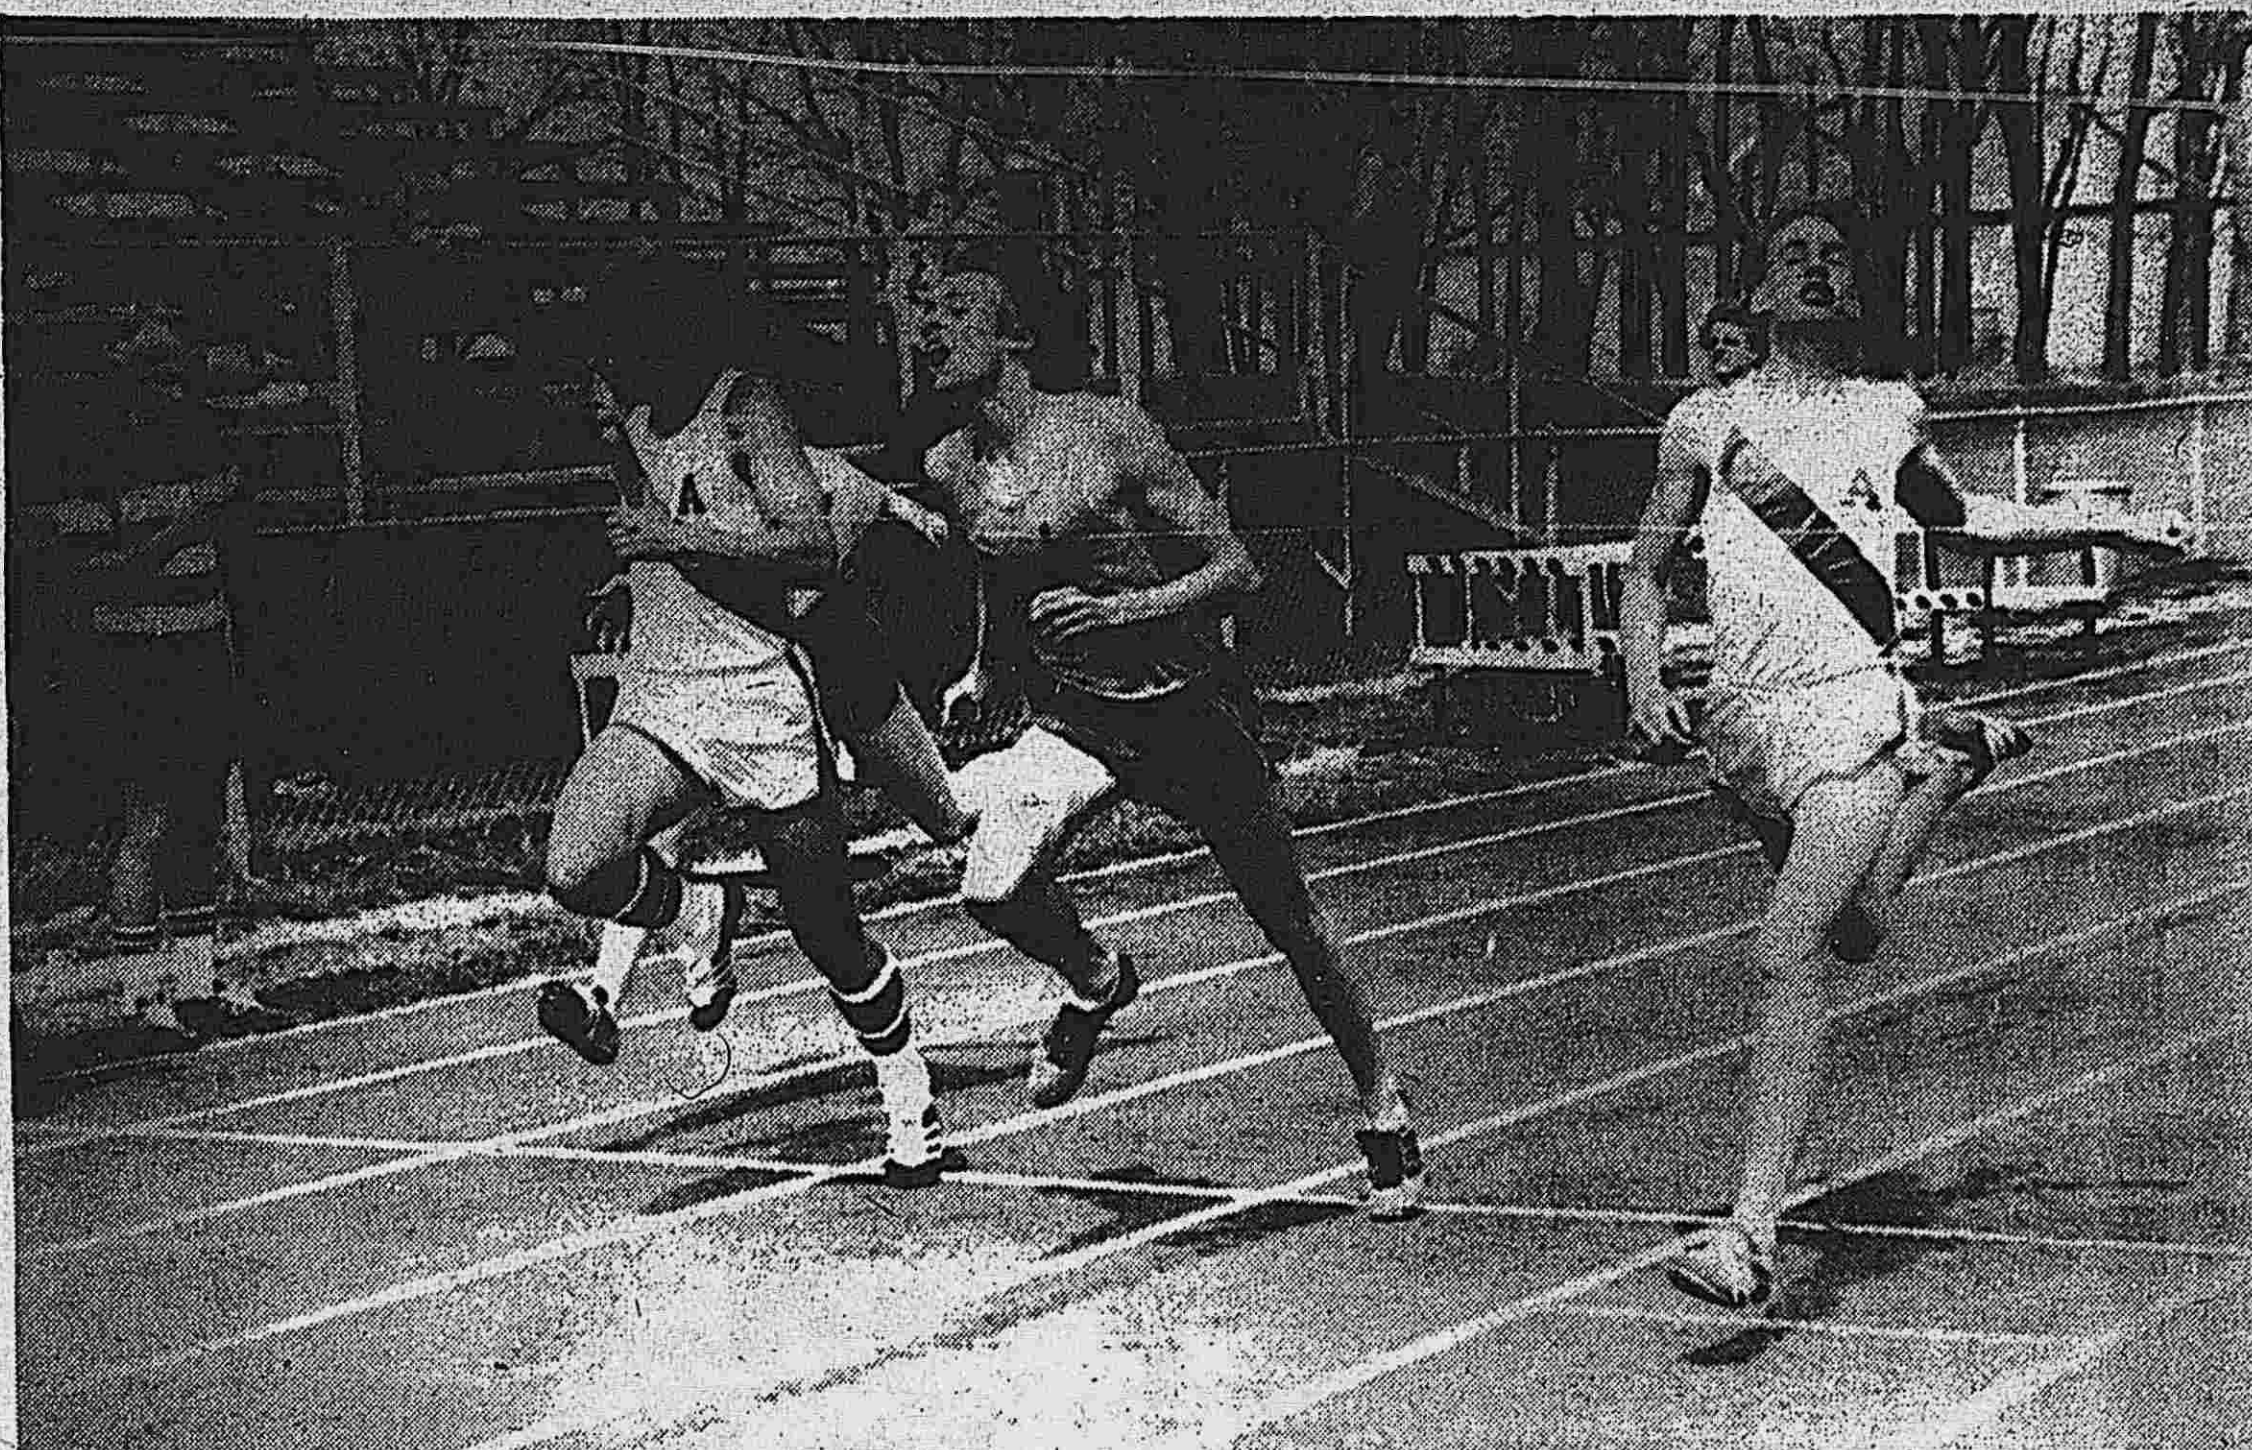

Outstanding first place individual performances included Dan Otten's mile run, Jim Crutchfield's 220-yard run and low hurdles race, and Bill Harland's 880-yard run.

Jim joined 440-yard relay team members Brian Schroeder, Greg Allen and Steve Pilcher to capture top prize with a time of 45.6.

The two-mile relay squad (Otten, Chuck Paulson, Brian Andrews and Harland) bested the competition with a time of 8:20.5.

The team, coached by Gerry Sandberg, will have a home meet tomorrow (Thursday) at 4:30 p.m. against Woodstock.

IT WAS CLOSE, but Antioch freshmen Denis Flaschner (left) and Dirk Millsop (right) hit the finish line in the 100-yard dash just after their

Lake Forest competitor in Saturday's meet. Denis received second place in the event. Sequoit coach Gerry Sandberg is at left.

"Those who think nobly are noble."

## Lurvey triumphs at Lake Geneva

Steve Lurvey of Dousman, Wis. was the late model winner Saturday night at the Lake Geneva Raceway.

In the second week of racing this season, Lurvey crossed the finish line of the 30-lap feature ahead of Jerry Ekert who took second.

Conrad Morgan, who finished third, was the fast-time qualifier for the second week in a row.

The sportsman feature race was won by Fran Baumgartner of Genoa City for the second week. He was followed by Lee Tibbitts of Hebron and Tom Mack of Burlington.

Baumgartner, in a 1970 Camaro, was pressured by Tibbitts several times but hung on to win. Fran also had the fastest time in the sportsman class.

Bob Powell walked away with the spectator feature followed by Mark Schneider. Powell was also the time trial winner in the spectator class.

Warm weather brought out a large number of fans.

There will be races again this Saturday night with time trials getting underway at 7 p.m. Drag racing will start Sunday, Apr. 24. The gates will open at 9 a.m.

## OBITUARIES

### Sylvia Zeman Lestina

Sylvia Zeman Lestina, 76, of Warner Shores Subdivision, died last Wednesday at Victory Memorial Hospital in Waukegan. She was born in Chicago May 25, 1900, and had lived in Antioch since 1950.

Mrs. Lestina was the widow of the late Frank Zeman and Leonard Lestina; the mother of Raymond and Frank Zeman; both of Antioch; grandmother of 14; a sister of Mary Rebout, Kansas City, Kan., and James Van Drasek, Berwyn, Ill.

Funeral services were held Saturday at the Barr Funeral Home, Antioch. Interment was in Bohemian National Cemetery, Chicago.

### Mrs. Anna Liebert

Mrs. Anna Louise Liebert, 69, of Rainbow Manor Antioch, died last Wednesday after a lingering illness.

She was born Sept. 22, 1907 in Chicago and was a lifelong resident of Waukegan. She was a retired nurse from Victory Memorial Hospital.

Surviving are her husband Rudolph; one daughter, Mrs. Tom (Norma) Rogers; two sons, William (Judith) Liebert of Antioch and Fred Liebert of Waukegan; seven grandchildren; two great-grandchildren; and one twin sister, Alice Liebert of Chetek, Wis.

Memorial services were held on Monday at the First United Methodist Church Chapel in Waukegan, with the Rev. Dr. Gehl Devore officiating. There was no visitation as she made a gift of her body to the University of Wisconsin Medical Center. Donations in her memory may be made to the Bristol Rescue Squad or to the American Cancer Society.

## Park programs do well

By SUE KOPPA

Even with inclement weather, Mr. Bunny arrived Apr. 2 to greet 150 children and adults for the first annual Park Commission-Antioch Jaycee Easter Egg Hunt.

A special thanks to all Jaycees who braved the raindrops to help Mr. Bunny, John Davis, Paul Kinas, Tim Mortensen, Chuck Spillner, Bill Anderson and Mrs. Paul Kinas. And a big thanks to Mr. Bunny, Ed Darboro, who delighted the children and later greeted the Antioch community by visiting the downtown stores.

I wish to thank Jim Egem and the VFW for their donation to the program and to Rod and Karen White for their help and donation. And thanks to Gail, Patty and Greg, my high school helpers.

OUR 4-5-6th GRADE basketball league has wrapped up another season and our super coaches, Tom Poulos and Harley Ware, had a victorious fourth season with our teams.

A total of 27 participants engaged in team play amongst each other. A selected group of advanced players was chosen to take on the Lake Villa League: I'm happy to report the Antioch Team was the winner on two occasions.

In the future, I'm sure we will see many of these boys of the entire league participating in our school programs.

GIRLS SOFTBALL league registration is still being held from 8:30 a.m. to 4:30 p.m., Monday through Friday, at the village hall. For more information, call 395-2160.

### HAPPENINGS

THE ANNUAL "Charity Toss" basketball game of the Lake County Life Underwriters will be held this Saturday, Apr. 23, at the North Chicago High School Gym, 1717 17th Street, North Chicago.

This year's encounter will pit the Underwriters against the Lake County Sheriff's Deputies. In the second game, the Lake County News Media will take on the politicians of Lake County.

Doors open at 6:30 p.m., with the first game getting underway at 7:30 p.m. Tickets are priced at \$3.00 per adult and \$1.50 per child. Children under five are admitted free.

All proceeds this year will go to the Boy Scouts of America in Lake County. Those attending will also be eligible for

door prizes given at half time, plus band music.

Tickets are available from any Boy or Cub Scout within Lake County or any member of the Lake County Life Underwriters. Tickets will also be available at the door the night of the game.

ON THURSDAY, Apr. 28, "Soil and Related

Natural Resources in Lake County" will be discussed by Ron Gebhardt of the U.S. Department of Agriculture, Soil Conservation Service.

The program starts at 7:30 p.m. at the Libertyville Public Library and is sponsored by the North Suburban Sierra Club Group. Everyone is welcome.
